

IT Figures

Things you never
knew you never knew

>> 31.2%

Firefox's share of the browser market in February, based on visitors to W3 Schools. By comparison, IE7 has 16.4%, IE6 39.8%, IE5 2.5%, Opera 1.5%, Mozilla 1.4% and Safari 1.7%.

>> 16%

The number of people who believe that if a site looks professional, it's trustworthy, according to research by Webcredible.co.uk, though 40% say they would only trust a secure page with a HTTPS URL.

>> \$1billion

The amount of money MTV's parent company, Viacom, wants from Google. A lawsuit filed in March claims that Google's YouTube is facilitating copyright infringement on an epic scale.

>> £100

The average loss would-be PlayStation 3 scalpers are incurring on eBay as giant mountains of unsold PS3s appear across Europe. That sound you hear is us playing the world's smallest violin.
